ELEVATION	1,150 m.a.s.l. / 3,770 ft. (average)
HARVEST METHOD	Hand-harvested
WINEMAKING	Hand-selected bunches. Destemming and soft crushing. Pump-overs and delestage three times a day. Maceration extended to 25 days. Fermentation in stainless steel tanks with selected yeasts at no more than 28°C (82°F).
ANALYTICS	Alcohol: 14.5 % Acidity: 5.4 g/l
OAK AGEING	In second-use French oak barrels for 11 months.
TASTING NOTES	Los Arboles is characterized by its stony soil that allows the plant to ripen early. BenMarco Cabernet Sauvignon is an outstanding wine with lingering flavors of currant, cassis and plum combined with a hint of spice and juicy acidity. Good structure, firm tannins and a persistent finish.
FOOD PAIRING	Red meat, pasta with Bolognese or mushroom-based sauce.
